

# COVENANT OF COOPERATION

*We change the story of the world  
When we change the storyline.*

Almost everything that happens in the world is not bad. It is neutral, and much of it is even good.

But why do we hear only of the bad and the sad? Because bad news sells? This has made all of us stressed, depressed, hopeless, and helpless. No, we are not helpless!

We can change the story of the world if we change the storyline -- from bad to good, from the negative to the positive.

Together, we will cooperate to search for good stories. Together, we will shine the spotlight on the good, the right, and the bright. Together, we will gift them with kind words of appreciation and recognition.

***“The seeds of goodness  
Live in the soil of  
Appreciation for goodness.”***

Above the wild waves, raging rains, and clashing clouds  
Of today's crisis of Life on Earth  
is the ...  
***Golden Sun of Hope***

Together, and today when it is most needed,  
we will spread happy energy.

A good story will inspire and set hearts on fire.

“Kind words do not just praise the goodness of others. Kind words have the power to change the story of the world.”
